2 TO SCHOOLS

3

4 Students, including those in kindergarten, are expected to attend the school to which they are  
5 assigned by virtue of their residence. Students will enroll in the school of appropriate grade  
6 nearest their residence.<sup>1</sup>

7

8 Parents may elect to enroll their children in any school in the school system provided the parent  
9 provides transportation to and from that respective school and provided that such choice does not  
10 cause overcrowding in the chosen school. Application for enrollment must be made during the  
11 open enrollment period scheduled by the school system. Beginning on the Monday after Spring  
12 Break, for a period of two weeks, the district will post on the website the schools and number of  
13 spaces available for enrollment. Following this two-week period, the open enrollment period will  
14 begin. The open enrollment period will begin on the third Monday following Spring Break and  
15 last for thirty days.<sup>2</sup>

16

17 TO CLASSES

18

19 The principal shall be responsible for assigning all students to classes.

20

21 Students who enter the system from another school system are to be placed by the principal in  
22 the grade and/or level as indicated by records from the former school. If the student's placement  
23 is inappropriate in the grade or level assigned, he/she may be reassigned by the principal to  
24 another grade level. Parents shall be kept advised.
