Attendance of Non-Resident Students

Descriptor Code:

6.204

Revised:

5/5/2022

- 1
2 Students residing outside the boundaries of the school system may attend schools within the school
3 system under the following conditions:¹
- 4 1. They must be approved by the director of schools.
 - 5 2. Non-resident students must make application during the open enrollment period scheduled
6 by the school system. Beginning on the Monday after Spring Break, for a period of two
7 weeks, the district will post on the website the schools and number of spaces available for
8 enrollment. Following this two-week period, the open enrollment period will begin. The
9 open enrollment period will begin on the third Monday following Spring Break and last for
10 thirty days. After two (2) weeks prior to the beginning of school and thereafter during the
11 remainder of the school year, students wishing to transfer into the system must also have the
12 approval of the sending and receiving system.
 - 13 3. The school system shall not consider the admittance of non-resident students until all
14 applications from resident students have been acted upon.
 - 15 4. If a student lives outside the school system and is approved for enrollment, parents will
16 provide transportation to and from that respective school. The student must maintain
17 satisfactory attendance, behavior, and effort to continue enrollment in the school system.
 - 18 5. A non-resident student seeking a transfer on the basis of being a child of a WCS teacher may
19 be admitted prior to the consideration of all other transfer applications with district residents.
 - 20 6. A non-resident student who was enrolled in a school during the previous school year may
21 not be denied enrollment in the school for the coming school year provided the student
22 continues to maintain satisfactory attendance, behavior, and effort.
