Descriptor Term:

Naming New Facilities

Descriptor Code:

3.210

Issued Date:

1/7/2021

1

2 Facilities of Weakley County Schools shall be named through Board action, based upon the
3 following criteria:

4

5

6 1. A person(s) should be considered only after receiving overwhelming endorsement from a
7 wide cross-section of the community. This endorsement may come from, but is not
8 restricted to, the following sources: city board, Parent-Teacher Organization (PTO),
9 booster club, and/or other appropriate local organizations. There should be no appreciable
10 opposition.

11

12 2. A suitable plaque should be prominently displayed in recognition of the person so
13 honored. Appropriate ceremony should accompany this event.

14

15 3. If necessary or appropriate, a time limit may be set on the duration of the period over
16 which the naming is applicable. After that period of time (20 years, for example), the
17 plaque may be removed and presented, with an appropriate ceremony, to the family of the
18 person honored.

19

20 4. Recommendations will be presented to the Weakley County Board of Education. A board
21 committee will review the recommendations and report to the board. The decision of the
22 Weakley County School Board is final.

23

24 5. Naming school system facilities for individuals should be a very rare event.
